

NEW BAND MEMBER PAGE!

On this page, you will find some information specific to new band members and the ordering of uniforms. Please return it when you return your signed Handbook Page and Indemnification Forms.

We will be placing our order for uniforms no later than September 8th. Students will be measured in class, and the order will be placed by the school (we use a specific company so that everyone matches). There are three options for these uniforms:

- a. Students may purchase a new uniform through the company. The cost for this is \$95 for males and \$85 for females. This covers both their formal uniform and their informal uniform (tux/dress and pep band shirt).
- b. Students may purchase a used uniform from the school, assuming that we have one in their size. The cost for this is \$60 for males and females (this covers both their formal uniform and their informal uniform, as above).
- c. Students may borrow a uniform from a friend/family member that has the correct dress or tux. Students must pay a \$10 fee for the informal uniform (pep band shirt).

Note, the fees are not due before the uniform is ordered. We will be doing a fundraiser that will add money to the student's accounts mid-October, so that is an option to help pay for it as well. Please check the option below as to which you will be choosing to get a uniform for your student.

Student Name _____

____ a. New from company (\$95 for male, \$85 for female)

____ b. Used from school (\$60 for male or female) – IF AVAILABLE (I will let you know ASAP if I do not have one available)

____ c. Borrowing from friend/family member (\$10 for pep band shirt)

Please submit fees as soon as possible (unless you are waiting for the fundraiser). Checks should be made out to Homer High School, and submitted in an envelope with the student's name and the word "Uniform" written on the front.
