1. The instrument must be kept in working order during the duration of the loan. Should the student leave or be asked to leave the organization, he/she must return the instrument within three school days. No refunds will be issued, though students switching instruments will not be charged a second rental fee.
3. Should the instrument be lost or destroyed during the loan term, the borrowing party agrees to replace the instrument with a similar make and model equal or better condition to the original instrument. The instrument must be purchased at a merchant who also maintains instruments.
4. Any included supplies or parts must also be returned with the instrument. Any missing parts must be replaced at the expense of the borrowing party.
